

## MARKETING + ADMINISTRATE

"We believe training professionals are best served by a seamless training and administration experience, and integrations like these are key to that goal. Excellent marketing is critical for any training company, and we're really excited about this integration that links Administrate with one of the leading marketing automation platforms in the world. Mutual customers will save time, scale their operations, and ultimately grow their business!"

*John Peebles, Chief Executive Officer at Administrate*

### Administrate Integration

Lead Liaison integrates seamlessly with Administrate's CRM, so you never skip a beat!

### Automation

Lead Liaison's marketing automation suite complements Administrate with a number of solutions to help track, qualify, distribute and convert more leads.

### Omni-channel Marketing

Lead Liaison helps you reach potential buyers in different ways using emails, handwritten letters, postcards, and more!

### Track ROI

We'll help you measure the effectiveness of your marketing, which results in more control, improvement, and credibility for your marketing efforts.

## Experience the Lead Liaison Difference

### Strength

Our platform is optimized to help your sales and marketing teams build better relationships and boost productivity.

### Simplicity

We've made building email templates, crafting handwritten letters, and building landing pages a breeze!

### Support

Our renowned Support Team is something that we are very proud of. You'll benefit from rapid response times, 24/7.
